I sincerly hope to hear
from you. Andrasta GRL
Dear Citizens of New
Magincia.
As you all know
a new Election cycle is
happening right now. The
Nominees are declared and
the Voting has begun. I
write to you today to
humbly ask for your vote
based on the involvement
and care that I have had
for the Atlantic
Community. This Fall I will
have been a member of
the Atlantic Community
for 16 years, all on

Atlantic. Many of you know me as the Caretaker of Goodman's Rune Library. I take that responsibility very seriously and try to be respectful to his memory and ideals. Many wonderful people have helped me keep the promise that I made to him with their support & caring for 8 years now. I have been involved in many Community Building activities over this time including helping build two Player Run Communities. The Kingdom of Dalriada was an active Island City in the old days where many events and occasions were enjoyed by citizens of the Realm. The City of the Blue Crane currently resides in Zento, Makuto and includes Goodman's Rune Library, Goodman's Atlantic Portal and the Grand Britannian Repertory, the largest Library of Player written books on any Shard amongst other fine and outstanding buildings & players who contribute to the Culture of our Great Shard. I hold a very large Soulstone Repository for the returning citizens of Britannia in the Goodman Portal and Goodman's Rune Library has donated gold, support and time to many Player Run Events on the Shard. I have been involved for many years with Citizens of the Realm who together work for the preservation of Atlantic's grand old buildings including Leiah's Rune Library, Serpent's Cross Tavern & The Mage Tower in Felucca. Goodman's Portal has

many of these old sites
attached for those who
appreciate our past. I
also am a great believer
in promoting those
establishments that stand
the test of time like The
Red & Purple Mini Mall
or The BookStore as well
as many new and
upcoming buildings &
establishments like the
HHYC Hostel for new
citizens and The Atlantic
Auction house.

These connections are
important to me because
I believe that all
playstyles have an
important part in the
story of our world. For
several years off and on
I have volunteered for
Stratics and filled several
roles. During my time as
News Administrator I
encouraged themed
reporters to cover all
aspects of the spectrum
of playstyles. Feluccian,
RolePlay, Decor, Rares,
Merchant, all have
important stories to tell.

I hope that more of you
with different playstyles
will join and participate
in the Governors'
elections & meetings
because I believe that it
is not just RolePlayers
that can have fun with
this government.

If you are a veteran of
the Atlantic Shard or a
new arrival, the
Government of King
Blackthorn is open to
everyone and will be what
we make it. The
Governor's, whomever they
be this time, will need
your support and
participation so please
consider helping out and
volunteering in your

towns. You will meet many fine people that may become long time friends. You will help revive our cities & bring new life to our worlds.

During my first term as Governor of New Magincia, I had some challenges but thanks to the support of my friends & citizens, we worked hard together to bring some fun activity to the cities. During my term, I submitted municipal requests to His Royal Highness for the following:

1. Protection for the Citizens of New Haven from murderers, scammers and thieves.
2. A Stablemaster near the New Magincia Stalls.
3. To be able to hire the other missing Merchants since the wars. ie Mage shops etc.
4. A Dock for the North side of the Island
5. A Cultural Center/Meeting Place.

During my term, New Magincia survived the Blockade of the Privateers of Vesper and Commerce flourishes again and I kept the City Trade Deal active for my citizens.

Should I be reelected this term, I would welcome the ideas and participation of every citizen whether it be for New Magincia or for the betterment of the entire Realm. I will remain dedicated to the Community of Atlantic as I have for all these years whether I am elected or not because it is my home.

Thank you very much for
your support.

Best Regards,
Andrasta
